Welcome Junior Kindergarten Families!

I am very excited and thrilled to welcome your child to Junior Kindergarten. This will be a memorable and amazing school year and I am looking forward for you and your child to be a part of it.

My name is Yvonne Hermosillo and this is my second year at Natomas Charter Star Academy. I am very delighted to be teaching Junior Kindergarten and I know we will all have a great year together.

I believe that every child can be successful in my classroom. I am an energetic and optimistic person who truly believes that a child can accomplish anything if they believe they can and are determined to do so. Parents are the key educator in their child's life and by working together as close partners we can help your child succeed. I welcome all of you to please volunteer and be a part of our classroom. I could always use the extra help☺. Please do not ever hesitate to contact me with any questions or concerns. Feel free to contact me via email, my email address is yhermosillo@natomas.k12.ca.us and when I receive my new phone number I will share it with you.

The first day of school is **Monday August 15th**. Class will be held from **12:00pm-3:30pm**. Please arrive 5 to 10 minutes early so we can begin promptly at 12:00pm.

Attached you will find the school supply list; you can bring these supplies on the first day of school. Please donate any extra supplies if you can for those who are unable to purchase them, it is greatly appreciated. I am in the process of creating a class website through Weebly. Here you can view important information such as newsletters, updates, and much more. I am looking forward for the best and most memorable year I have ever had and I want it to be that for your child as well.

Sincerely,

Yvonne Hermosillo, Junior Kindergarten teacher
